| Reporting Week | 09 AUGUST 2020 - 15 AUGUST 2020 |
| Faculty Supervisor | WILLIAM POURMAJIDI |

1. Tasks Outlined in Previous Weekly Progress Report

- Finish final report
- Finish Presentation

2. Progress Made in Reporting Week

- The final report work is going on smoothly.
- The weekly reports are of great help for the final report work.
- The template shared by the faculty supervisor made our work easier.
- The demo presentation will be recorded using the “screenrec” software (<https://screenrec.com/download-screenrec/>)
- The architecture diagram is updated for report
-

3. Difficulties Encountered in Reporting Week

- We facing a lot of time constraint regarding the final report and final presentation

4. Tasks to Be Completed in Next Week

- **Project came to end**
